Questions present in online registration 2023

Prior to selecting camp options, parents must first answer questions on four different pages:

1. Student Information
2. Parent/Guardian Information
3. Medical Information and History
4. Waivers

The questions on each page are shown below.

**Page 1: Student Information**

- Student First and Last Names
- Name your child prefers to be called
- Account Email Address (parent’s email where confirmation will be sent)
- Registrant’s upcoming grade (select 02 to 12) – *This is the grade the child will enter next Fall!*
- By checking this box, I agree to allow Penn State to use this email address to communicate with me about this program.
- Contact Home Phone Number
- If you believe your child may need accommodations to participate in this program, please let the Program Director know as soon as possible.
- Participant’s Date of Birth
- Participant’s Gender (Female or Male)
- Participant’s School
- Participant’s T-shirt Size (adult small to 3X-Large)
- Labmate name (Not all requests can be guaranteed.) Labmate must also be registered for the same camp.
- Where did you see information pertaining to the Science-U summer science camps? (Please check all that apply)
  - Website, Email/newsletter, Facebook, Twitter, word of mouth, teacher/scout leader, other
- Home address – street, Country/Region, city, state, zip code
- Program Demographics
  - Since our program is sponsored in part by federal funds and corporate foundations, we track program demographics for reporting purposes. Names are never reported with this information. Penn State is committed to equal opportunity and nondiscrimination. Providing this information is VOLUNTARY, and it will be kept confidential.
  - Please check the applicable categories in each group:
    - Group A: American Indian, Asian or Pacific Islander; Black (non-Hispanic), Hispanic, White (non Hispanic), Other, I do not wish to submit this information
    - Group B: Handicapped, Learning Disabled, Physically Disabled, None of the above, I do not wish to submit this information
- Financial Aid
  - Financial aid is available on a first come, first-serve basis to cover a child’s single camp registration fee if families are in need of support. If you would like to request financial aid, click “Yes”. Our office will email you a link to a financial aid application to be completed within one week. Full or partial financial assistance may be granted for low-income families,
families experiencing financial or medical hardship, or for children who qualify for free or reduced-price school lunch. If we are unable to grant financial aid, you will be asked to pay the registration fee. Would you like to apply for Financial Aid? Yes or No

Additional Sibling option to add additional children from the same address. Most of the above questions will be repeated for the additional sibling(s).

**Page 2: Parent/Guardian Information**

- Parent/Guardian #1: Full Name, Email Address, Daytime Phone, & Place of Employment
- Parent/Guardian #2: Full Name, Email Address, Daytime Phone, & Place of Employment
- If there are any legal issues related to custody that we should be aware of, please provide us with an updated court document stating as such. We will abide by legal documents only when dealing with children and custody issues. Otherwise, either parent has equal rights to their child.

**Emergency Contact Information**

- If neither parent nor guardian is available in an emergency, please contact:
  - Emergency Contact #1: Full Name & Phone number
  - Emergency Contact #2: Full Name & Phone number

**Drop-Off and/or Pick-Up Authorization**

Please list the names of adults (age 18 and older), including parent/legal guardians, that have permission to drop-off and/or pick-up your child.

- Special drop-off/pick-up instructions
- Full names and contact phone numbers of up to 4 adults (18+, including parents)
- The above individuals will be asked to verify their identity by showing an official picture ID before your child will be released into their care.
- If there are any legal issues related to custody that we should be aware of, please provide us with an updated court document stating as such. We will abide by legal documents only when dealing with children and custody issues. Otherwise, either parent has equal rights to their child.

**Walk/Bike/Drive Authorization-Optional**

For the safety of your child, we must have on file a written authorization/permission form from the parent/legal guardian, permitting your child to walk/bike/drive to and/or from the program.

Please note that this permission is for the child to leave camp without adult supervision. For your child’s safety, campers may walk home, bike home, drive home or wait at a bus stop unsupervised only when a permission slip is signed, dated by parent/legal guardian, and is on file at the Penn State Youth Program identified above. Campers will only be released at the scheduled program ending time, or at another time designated to the program in writing or in person by the parent/legal guardian. If the Penn State Youth Program identified above does not have this signed slip, your child will not be released without authorized adult supervision. You will be called to pick him/her up from camp.

Please contact the Office of Science Outreach at outreach@science.psu.edu if you have any special requests.

My child will: (check all that apply)

- [ ] Walk
- [ ] Bike
- [ ] Drive
- [ ] Use Public Transportation

My child will: (check all that apply)

- [ ] Walk
- [ ] Bike
- [ ] Drive
- [ ] Use Public Transportation
To the Program:  From the Program:
- Sunday  - Sunday
- Monday  - Monday
- Tuesday  - Tuesday
- Wednesday  - Wednesday
- Thursday  - Thursday
- Friday  - Friday
- Saturday  - Saturday
- All Days  - All Days

By signing this waiver, I authorize my child (listed above) to walk, bike or drive to and/or from the Penn State Youth Program identified above. This includes permission to walk home from my child's regularly scheduled bus stop and includes waiting at the bus stop unsupervised if you have signed your child up for public transportation.

There will be a box to check we understand and agree if you want this option for your child.

**Page 3: Medical Information & History**

- Is physician authorization needed? Yes  No
  - **(Do we need to call your physician before seeking medical care for your child if an illness or accident should occur while at camp?)**
- Name of Family Physician:
- Phone:

Please check the following and provide approximate dates (of most recent episode) if your child has suffered from allergies or other conditions listed below:
- Hay Fever
- Bee/Wasp Stings
- Insect Stings
- Penicillin
- Peanut
- Asthma
- Diabetes
- Convulsions
- Concussion
- Behavioral/Emotional
- Other
- Not Applicable

Date of most recent tetanus immunization (if more than ten years, a booster shot is recommended): mm/dd/yyyy

The following questions will then be asked. All answers require a No or Yes response. Yes responses also require a brief explanation.

- Does the youth wear any medical appliances (glasses, contact lenses, orthodonture, etc.)?
- Does the youth have any dietary restrictions?
- Any major past illnesses (contagious and non-contagious)?
- Any major operations or serious injuries (include dates)?
- Has the youth ever been hospitalized (include dates)?
• Does the youth have any chronic or recurring illness?
• Is there anything else in youth’s health history that the program staff should know about?
• Are there any activities from which the youth should be restricted?
• Are there any specific activities that should be encouraged?
• Will the youth be bringing any medications to be taken during the program?

If YES, please list the specific prescription or over-the-counter medications below, reasons for medication, and daily dosage. If any medications change prior to arriving at the program, please provide an updated list upon arrival.

Page 4: Waivers

Liability Release:

I/we, the undersigned, individual and as parent(s) and or legal guardian(s) of the above-named child, a minor, give permission to participate in the Science-U Summer Science Camps sponsored by Eberly College of Science – Office of Science Outreach of The Pennsylvania State University located at University Park, PA on June 20 to August 4, 2023 and pursuant to the Acknowledgments set forth above. In consideration of such admission, I/we do hereby agree to release, discharge, and hold harmless The Pennsylvania State University, its trustees, officers, agents, and employees of and from all actions, causes, lawsuits, liabilities, damages, claims, or demands whatsoever on account of any injury, accident, or illness involving the said minor and/or me arising out of my child’s participation in the Science-U Summer Science Camps.

There is a box to check that I/we understand and agree.

Media Release:

I/we grant permission to The Pennsylvania State University and its agents or employees to use photographs and/or video, taken of my child from this event for use in promotional and educational materials and to use such photographs/video in publications, websites, articles, brochures, books, magazines, newsletters, exhibits, broadcasts, videos, films, social media, advertisements, and training programs in any form now known or later developed. I hereby agree to release, indemnify, and hold harmless The Pennsylvania State University and its agents or employees, including any firm publishing and/or distributing the materials in whole or in part, in any medium, from and against any claims, damages, or liability arising from or related to the use of the photographs/video.

There are two boxes to choose from:

• I/we understand and agree
• I/we understand and do NOT agree (Every attempt will be made to keep your child out of photographs/videos taken at the event.)

Medical Release:

I understand that all Youth Program participants are recommended to have a meningococcal vaccination prior to attending the program.

I acknowledge and agree that attendance at any public event, including Youth Programs, involves certain unavoidable risks such as exposure to or infection by transmissible diseases, viruses, and other illnesses (including, but not limited to, COVID-19 and its variants). On behalf of myself and my child, I assume any and all such risk and acknowledge that such exposure or infection may result in personal injury, illness, severe complications, permanent disability, and/or death to my child or others. I agree on behalf of myself and my child to adhere to all applicable University policies including, but not limited to, those intended to mitigate the spread of transmissible illnesses. I understand it is my and my child’s responsibility to practice basic health, safety, and sanitation measures to avoid contracting or spreading transmissible illnesses. I further agree that my child will not attend the event if they are symptomatic of any commonly spread transmissible illness.

In the event that an illness or injury would require more extensive evaluation, I understand that every reasonable attempt will be made to contact me. However, in the event of an emergency and if I cannot be reached, I give my
consent for Penn State University Health Services staff or other licensed health care practitioners to perform any necessary emergency treatment.

I hereby authorize the clinical staff at The Pennsylvania State University (“Penn State” or the “University”) (e.g., clinical staff at Penn State’s University Health Services) or other licensed health care practitioners, acting within the scope of his or her practice under State law, to provide medical care that includes routine diagnostic procedures (e.g., x-rays, blood and urine tests) and medical treatment as necessary to my minor daughter/son/dependent. I understand that the consent and authorization herein granted does not include major surgical procedures and is valid only during the Youth Program/event.

I agree to the release of records necessary for treatment, referral, billing, or insurance purposes to the appropriate medical care provider. If treatment is provided by Penn State, I understand that the University charges for services and that it is my responsibility to pay the bill. I may be responsible to submit any claims to my health insurance carrier for reimbursement. I also authorize Penn State to receive medical/billing information and submit it to the University’s insurance carrier.

I understand that, unless specifically stated otherwise in the Penn State Youth Program/event literature, Penn State does not provide medical insurance to cover emergency care or medical treatment of my child.

Medical and Related Health Information Penn State is committed to protecting the medical and related health information about your child. Medical and related health information provided on this form will only be used as Penn State deems necessary to provide services for your child while participating in the Youth Program. Information will be stored, archived, and disposed of according to Policy AD35, University Archive and Records Management and Policy AD95, Information Assurance and IT Security.

If there are any changes to your child’s health, please contact the youth program.

Medication Management

It is NOT permissible for a participant to share any medications with any other participants. *If at all possible, medication should be administered at home.* Medications will be allowed at the Youth Program only when failure to take such medicine would jeopardize the health of a child and he/she would not be able to attend the Youth Program if the medicine were not made available.

The parent(s)/legal guardian(s) of Youth Program participants are required to disclose their intention to bring medications to the Program, especially to treat potentially life-threatening conditions (i.e. inhalers, EPI-pens, insulin injections). Upon arrival to the Program, parent(s)/legal guardian(s) should plan to meet with a member of the Youth Program staff at registration to review medication issues for a Youth Program participant and complete additional required paperwork if not completed prior to arrival.

All medications (prescription and over-the-counter) must be stored in the original product packaging and clearly labeled with the participant’s name. Prescription medication(s) must also include a label with the medication’s name and dosage instructions, as well as the prescribing physician’s name and telephone number. For identification purposes, a current picture of the child is to be provided upon registration.

All medications will be kept in a securely locked cabinet used exclusively for storage of medications. Medications that require refrigeration will be stored and locked in a refrigerator designated for medications ONLY. Access to all medications will be limited to approved personnel. The need for emergency medication may require that a Youth Program participant carry the medication on his/her person or that it be easily accessed (i.e. inhalers, EPI-pens, insulin injections, seizure medication). Penn State Youth Program staff will NOT purchase medications of any type (prescription or over-the-counter) for Youth Program participants of any age.

Penn State youth program does not carry over the counter medication. If a Program has professional medical staff on-site, then the medical staff may administer over the counter medications (e.g., ibuprofen or Tylenol) supplied by the parent(s)/guardian(s) per package instructions. Medical staff may monitor the self-administration of medications, if necessary, upon written consent of the parent(s) and/or legal guardian(s) and/or physician orders.

If there are no medical staff on-site, Penn State Youth Program staff will not dispense medications, but may monitor the self-administration of certain medications if necessary, ONLY upon written consent of the parent(s)/legal guardian(s) and/or physician’s orders.
It is the responsibility of the parent(s)/legal guardian(s) to be sure that the participant’s medications brought to the Youth Program are not left behind at the end of the Program. Failure to do so will result in the medications being destroyed within three working days after the participant’s last day at the Program. Absolutely no medications will be returned via mail regardless of circumstance.

I understand that, in accordance with Youth Program policy, any medication(s) should be given at home before and/or after the Youth Program. However, when this is not possible, and medications will be brought to Youth Program camp, I agree to the provisions outlined above relating to the management of medications.

There is a box to check saying that I/we understand and agree.

Codes of Conduct:

I understand that my child will be subject to the rules and standards of conduct of The Pennsylvania State University (“Penn State” or the “University”) when participating in a University-sponsored program. I further understand that my child’s violation of the rules and standards of conduct or failure to comply with the reasonable direction of Program Staff or University employee may result in my child’s dismissal from the Program.

There is a box to check stating that I/we understand and agree.

Title IX Policies & Procedures and Reporting Concerns:

All Penn State youth programs have policies in place to ensure the safety of youth participating in our programs, activities and services is not compromised. All program staff are trained in emergency protocols and all relevant internal, external, and parental reporting requirements.

Title IX prohibits sex discrimination (including sexual harassment and/or sexual abuse) against Youth Participants in any of the University’s education programs or activities, including recreational and/or athletic programs or services operated by the University. Please click here to review the University’s Title IX policy and procedures.

To report an incident of suspected sex or gender-based discrimination, please contact Penn State’s Title IX Coordinator, using the contact information below:

Amber Grove, Esq.
Title IX Coordinator
212 Rider Building, 227 West Beaver Avenue
State College, PA 16801
Phone: (814) 867-5088
Email: alg6440@psu.edu or titleix@psu.edu or submit the Online Reporting Form.

Parents are encouraged to notify the program director immediately if they, or their child, are experiencing problems, difficulties, or concerns with the program, other youth in the program, and/or staff. You may also contact Sandy Weaver, Youth Programs Compliance Specialist at stw126@psu.edu or (814) 865-8785 or call the University’s Ethics Hotline at 1-800-560-1637.

Parent/Guardian Acknowledgment:

I have read and completed this registration prior to signing below, and I fully understand the contents, meaning, and impact of this release. I understand that I am free to address any specific questions regarding this release by submitting those questions in writing prior to signing, and I agree that my failure to do so will be interpreted as a free and knowledgeable acceptance of the terms of this release.

There is a box to check stating that I/we agree.

Then complete two boxes:

- I provide my full name as a legally binding signature
- Date
Camp Selections

Once the registration questions have been answered, camps and Extended Care available for your child’s upcoming school grade, 2-12, will appear and can be selected. Table 1 below shows all offered camps based upon their scheduled weeks. However, in the Cvent registration system, you will see the camps available for specific grades (see Table 2).
